SUBJECT: CARE LEADER & CLASS ASSIGNMENT

DATE: _____

Pastor Thomas has assigned you to **CLASS #** _____ and I will be functioning as your **Care Leader**.

The "Class Leader System," exists in the African Methodist Episcopal Church to give members spiritual nurture, care and support in times of illness and need, and to aid members in growing spiritually.

Care Leaders serve as additional eyes and ears for the Pastor, and are appointed by the Minister-In-Charge. Each Care Leader gives regular reports to the Pastor of the spiritual condition and welfare of their class members.

As your Care Leader, I will do everything I can to make sure that you and your family are the recipients of warm concern, support, and Christian love.

I will be contacting you from time to time either by phone, mail, email, and/or in person and you may contact me at the information below:

I look forward to talking, corresponding or meeting with you soon.

May the Lord Bless You and Keep You.
